Harbour Notice No 1 of 2024

Planned Construction Works at Howth Fishery Harbour Centre

Surfacing and Accessibility Upgrade works will commence at the middle pier at Howth Fishery Harbour Centre on the 28/10/2024.

This work will involve resurfacing and improving the carriageway, footways, slipway access and parking areas.

Access to the public Slipway located beside the Lifeboat Station, will be restricted during the works, and will be unavailable for periods during the works.

Access to the middle pier and new pier to the North will be maintained for fishing industry and harbour industrial activity only.

Public access and parking will be unavailable for the duration of the works.

Works are expected to be substantially complete by Christmas 2024, weather permitting.

For specific queries regarding operations or access, contact the harbour office.
